January 23rd - Kenton Meet

January 30th—Union County swim meet

Sign out date was Jan. 8 for both Hardin County & Union County meets

Sectionals are at Springfield March 5th-7th

At the beginning of the year the league was going to have teams swim finals in the Dayton area, but Chad has not heard more on that yet. He will get back to us as details become available.

Second Chair/Administrative Coordinator Report

We still need people for the banquet committee. Naomi will head it, but we need workers to volunteer & learn the process so they will be knowledgeable for future years. These people will be part of awards, gifts, securing a location, design and putting together the program.

Concessions (2/13 at Sid vs. DCY is last one this year)

Discussion of viability of concessions at meets---cost & profit vs. work involved for HS meets---many hours of work involved for minimal profit for team

Tammy & Tammi will talk to Mary & discuss options at next meeting

PCY removed from schedule, Kenton added

The PCY meet filled up in less than a day & our entries were not accepted. We have added Hardin County event now. This event is with teams we don't typically swim against and they were pretty excited to have us join the invitational.

Apparel-Additional clothing from Ernst/Committee for next year

We received t-shirt & hoody misprints (extra printed) from Ernst. There are 4 hoodies and 6 t-shirts. We discussed using them as a prize at end of year banquet. This will be up to the banquet committee.

We are looking into using someone else next year, possibly.

Caps

We have plenty of silicone caps for \$10---if you ordered & paid for one already, see Tammi.

Saturday Practices 8-9

We are resuming Saturday morning (optional) practices unless there is a meet.

Folders

Please have swimmers check folders regularly for ribbons.
