We are checking into having the dual meet that is currently schedule for January 31st at our YMCA, it cannot be held at Mercer County, so if we cannot hold it, it will be cancelled. More to come on this.

Concessions

We are in need of help at the home dual meet for our meet and the High School meet on December 13th our meet starts at 1:00, High School meet starts at 5pm (these are money makers for us, and we MUST have help). It would be great if any of the high schoolers parents can help this day/night. Just let us know!!

I also will be sending out an e-mail letting everyone know what they are responsible for bringing in the way of food for the home meet on December 13th. Maria S. is going to do the hot dogs, buns and buns for chicken, but likely we will split you up and part of you will bring fruit, part vegetables, and part sweet treats.

Christmas Treat Bags

We need donations for the Christmas treat bags, pencils stickers etc to Tammy or Naomi by **December 11th**.

We also had a lot of discussion how to best organize getting volunteers for events like concessions, swim meets, etc, we are exploring any ideas on how to get all parents involved, this organization cannot run without the help of EVERYONE, we are here for the KIDS. So any suggestions you have may be sent to Lee Huskey.

Thanks to everyone on a terrific Pentathlon, some people heard others state that it was one of the best run swim meets ever, and for us one of the largest turnouts ever. So hats off to everyone from set-up, to tear down (and all the in-between), that helped work that event. It proved to be very successful.
